Summer camp will be at Peaceful Valley from June 26 to July 2.

There will be a mandatory meeting on June 6 for those Scouts attending summer camp and their parents. This meeting will cover everything necessary to make summer camp safe and enjoyable.

Committee meetings

Committee meetings are usually on the night of the first Tuesday after the first Thursday of every month, downstairs at the church where we have our meetings. However, in June, July, and August of this year committee meetings will be one day later; the first Wednesday after the first Thursday. These meetings will be at the house of committee chair Tim Ryan.

Youth Protection training

There will be a youth protection training some time in June, possibly on June 13. This training is one of the ways the Boy Scouts protects youth from abuse and protects adults from fraudulent accusations. Troop 171 requires any adult who attends an outing to be trained in youth protection. See Buzz Schaumberg for details.
